

FC DENVER ACADEMY STRUCTURE

*Programs for Boy's and Girl's High
School Soccer Teams – Varsity & JV*

The FCD Academy is structured to engage teams in playing consistent, intelligent, and dynamic soccer. Teams will go through various drills and scenarios challenging their ability to think prior to receiving the ball in order to smartly;

- ❖ *Build possession*
- ❖ *Understand the speed of play*
- ❖ *Understand the importance of Combination passing*
- ❖ *Be confident with foot skills when attacking defenders*
- ❖ *Understand defensive containment.*

Our Academy is staffed with experienced player coaches, holding various USSF/NSCAA licenses, who are inspired by the game and teach at an intense & dynamic level. As former Collegiate and USL players, the ability of coaches to participate in drills at a high level is a great asset for players to have. Consistent live demonstrations help players learn visually and pushing the pace of play helps players of all levels develop.

All 5 sessions will be discussed with the high school coaching staff in order to best structure the program targeting specific team needs
